

Carassauga **DRIVE-IN** Festival of Cultures

Canada's largest multicultural festival celebrates its 36th anniversary this year with our first ever, Drive-In Festival of Cultures!!

Join us live in the comfort of your own car as we showcase live performance acts from local cultural groups and national recording artists. We have a tremendous lineup of performing arts including Juno award winner Liberty Silver, Mississauga's Rock n' Roll sensation The Dreamboats, Toronto's legendary Kings of Soul the St. Royals and Canadian recording artist with the hit "2 Heads", Coleman Hell.

The safety and wellbeing of our visitors and performers is our top priority. Protocols and safety procedures are in place to address the ongoing restrictions and limit the spread of Covid-19.

Carassauga Drive-In Festival of Cultures takes place August 20th, 21st and 22nd. Featuring 5 shows, various dance and musical performances, and food trucks on-site. What better way to showcase our cultures than by celebrating together with food and entertainment.
