Thank you for attending our 2022 Festival! We were delighted to return with a modified in-person event after 2 years of cancellations.

This year, due to restrictions and lockdowns, we had planned a different, smaller-scale festival. This gave our cultural groups, volunteers, and performers the opportunity to get back in the swing of things. Despite all the obstacles we faced, we were overjoyed with the number of visitors and the support we received from all of you in attendance.

As an entirely volunteer-run, non-profit organization, we put a lot of time and effort into creating a welcoming, educational, and enjoyable experience for everyone. Please find below, a link to a survey about Carassauga 2022. We'd love any and all feedback so we can continue to improve your experience!
