Proud to Support and Give Back to the Community!

Thank you to all that attended our Drive-In event, a portion of the admission sales was donated to the Trillium Health Partners Hospital. We were proud to raise \$2000.

As part of our Giving Tuesday campaign, we collected 179 pounds of food and a \$100 of gift cards donated to the Mississauga Food Bank. Thank you to our board members and cultural pavilion groups for their support.

Congratulations to our Drive-In Survey winner, Meena N. on the 2 Round trip tickets with VIA Rail. Thank you to everyone who attended and completed our survey.
